Choke on myself for you
I spoke on my need for you
My fire for you
And now I Choke on my knees for you.
I'll be a saviour
I'll fight these demons till they drop
I choke on my knees for you

It's pulling me hard
Bleeding we are
But it's never too far

I don't get it (choke)
I can't take this
I wont make it far
I can't breathe
I choke

Choke on myself for you
I spoke on my need for you
My fire for you
And now I choke on my knees for you
Falling faster

Burnt my wings
Can't get these bruning wings to stop
I want you

It's pulling me hard
Bleeding we are
But it's never too far

I don't get it (choke)
I can't take this
I wont make it far
I can't breathe
I choke

I can't breathe (repeats)
I choke on my need for you
Choke on my life for you I
Choke on my knees for you

Choke on my life for you I

I don't get it (choke)

I can't take this

I wont make it far

I can't breathe

I choke
