Gotta watch out for the hooks
Swingin hooks gotta get away Gotta make a dash a
mad fools parade
Slicin my vision since 7th grade
Step up take that blade away
Thus far You've got me on my knees
You've cut me with your nails
They're like claws
I can't take this
You smiled and tried to hook me.
Dodging from hooks at me
Diving from hooks at me
Blink and it hooks in me
you cannot believe what you've done to me.
Dodging from hooks at me
Diving from hooks at me
Blink and it hooks Im done and I go down
And I run and I fall down
Gotta watch out for the hooks
Swingin left and right gotta dodge out tha way
Gotta hit the deck or theirs a price to pay
Everyone slingin hooks all day
Make it one more hook
And Im sucked away
Stick a ray gun, in my hand
And now you're beggin' me to believe
With your tales and your lies
I cant take this
You smiled and tried to fuck me
Dodging from hooks at me
Diving from hooks at me
Blink and it hooks in me
you cannot believe what you've done to me.
Dodging from hooks at me
Diving from hooks at me
Blink and it hooks I'm done and i go down
And i run and i fall down
Look at the sea right in front of me
The people I swear want to get to me
Look at the greed that's surrounding me
You cannot believe what you've done to me

Too many tricks coming after me
Sticking their hooks right inside of me
I've gotta release get away from me
Disguised as a hook staring right at me (x2)
Dodging from hooks at me
Diving from hooks at me
Look at the greed
Its surrounding me
You cannot believe what you've done to me
Dodging from hooks at me
Diving from hooks at me
Blink and it hooks and I run and I fall dooooown.
