Slowly and softly:

I'm not your average girl
I'm not the one you play with
I don't wanna change my world
You're just gonna have to get over it
Cause you can't change me
You can try and try
But in the end you'll find....
I'm one of a kind.

Person 2:

Is that girl me?
It's killing....

Both:

Me

(Quick switch)

Person 1:

Yeah, I'm sitting here
All by myself
Cryin' out through these empty walls

Person 2:

I've been dying here
All by myself
Shoutin' out through these EMPTY WALLS----

Both:

CHORUS:

I'm not your average girl
I'm not the one you play with
I don't wanna change my world
You're just gonna have to get over it
Cause you can't change me
You can try and try
But in the end you'll find....
I'm one of a kind.
