I hooked em' up
Now I regret
Taking forever
For them to split

I do this
Do this a lot
It puts me in
The worse spot

I love his smile
Love his eyes
For a while
He could'a been mine
They've really, really got to end
Cause I think I'm in love
With my best friend's boyfriend

So now,
She has her doubts
Her mind's tossing and turning
Tryin' to figure this out

Will she give up?
Will she give in?
Will their relationship
Ever come to an end?

I'm dieing to know
If it'll ever end,
Cause I think I'm in love
With my best friend's boyfriend

I love his smile
Love his eyes
For a while
He could'a been mine
They've really, really got to end
Cause I think I'm in love
With my best friend's boyfriend

(Repeat chorus)

Will they give up?
Will they ever end?
Cause I think I'm in love
With my best friend's boyfriend
