"It Must Have Been Love"

Lay a whisper on my pillow
Leave the winter on the ground
I wake up lonely, there's air of silence
In the bedroom and all around
Touch me now, I close my eyes and dream away

It must have been love, but it's over now
It must have been good, but I lost it somehow
It must have been love, but it's over now
From the moment we touched till the time had run out

Make believing, we're together
That I'm sheltered by your heart
But in and outside I've turned to water
Like a teardrop in your palm
And it's a hard winter's day, I dream away

It must have been love, but it's over now
It was all that I wanted, now I'm living without
It must have been love but it's over now

It's where the water flows
It's where the wind blows

It must have been love, but it's over now
It must have been good, but I lost it somehow
It must have been love, but it's over now
From the moment we touched till the time had run out
Yeah... It must have been love, but it's over now
It was all that I wanted, now I'm living without
It must have been love, but it's over now

It's where the water flows,
It's where the wind blows.
