You ask how I've been
Coz you don't wanna
Miss out
On Anything

We hang up the phone
I wonder when
I'll be
With you again

In distance
In silence
You're closer to me
But then,
I guess

Tomorrow with you
Is uncertain
A long breath
Of nothing.

*But where do you want to
Run off to
I'll be with you running
How high do you want to
Fly up to
I'll be with you soaring
What do you want to say?
Should we go on this way,
Hiding
&
Hiding
&
Hiding...
Well, when I look at you
I know that it's worth
The wait.

A small world like ours today
Could never stop itself
From hoping
For love to taste freedom

For lovers to hold on
To something

When you grab my attention
I know you are searching
You're searching...

Cos when I'm not looking
You hold out your hand
And you pull me in,
Again.

*But where do you want to
Run off to
I'll be with you running
How high do you want to
Fly up to
I'll be with you soaring
What do you want to say?
Should we go on this way,
Hiding
&
Hiding
&
Hiding...
Well, when I look at you
I know that it's worth
The wait.
