[VERSE 1]

You had my heart
And we'll never be world apart
Maybe in magazines
But you'll still be my star
Baby cause in the Dark
You can see shiny Cars
And that's when you need me there
With you I'll always share
Because

[CHORUS]

When the sun shines
We'll shine together
Told you I'll be here forever
Said I'll always be your friend
Took an oath
I'mma stick it out 'till the end
Now that it's raining more than ever
Know that we still have each other
You can stand under my Umbrella
You can stand under my Umbrella
(Ella ella eh eh eh)
Under my umbrella
(ella ella eh eh eh)
Under my umbrella
(ella ella eh eh eh)
Under my umbrella
(ella ella eh eh eh eh eh eh eh)

[VERSE 2]

These fancy things,
Will never come in between
You're part of my entity
Here for Infinity
When the war has took it's part
When the world has dealt it's cards
If the hand is hard
Together we'll mend your heart
Because...

[CHORUS]

When the sun shines
We'll shine together
Told you I'll be here forever
Said I'll always be your friend
Took an oath
I'mma stick it out 'till the end
[Umbrella lyrics on]

Now that it's raining more than ever
Know that we still have each other
You can stand under my Umbrella
You can stand under my Umbrella
(Ella ella eh eh eh)
Under my umbrella
(ella ella eh eh eh)
Under my umbrella
(ella ella eh eh eh)
Under my umbrella
(ella ella eh eh eh eh eh eh eh)

[BRIDGE]
You can run into my Arms
It's okay don't be alarmed
(Come into Me)
(There's no distance in between our love)
So Gonna let the rain pour
I'll be all you need and more
Yeah Read let's go look...
Because...

Jay Read:

Yo my umbrella's up when the world is too much
We still ride for each other like Starsky & Hutch
The new school Jayson & Lyric and nothing comes near
it
We close to Lorenze and Nia and it's nothing really to it
We got Love Jones we could never be seperated
We always find our way home and never be decimated
I'm speaking from the heart we been the shy from
start
An we gone grind to the end to our life re-starts
Come back in another life
An see you in a different light
An if I'm Superman babygirl you know you kryptonite
My only weakness it's hard to defeat this
An even when I'm losing it feels so goooood
I can't complain you everything I aint
An compliment each other from the root to the base
Sitting on the top is where we always wanna stay
It a take a meotor to break us and that'll be tha day

[CHORUS]

When the sun shines
We'll shine Together
Told you I'll be here forever
Said I'll always be your friend
Took an oath
I'mma stick it out 'till the end
Now that it's raining more than ever
Know that we still have each other
You can stand under my Umbrella
You can stand under my Umbrella
(Ella ella eh eh eh)
Under my umbrella
(ella ella eh eh eh)
Under my umbrella
(ella ella eh eh eh)
Under my umbrella
(ella ella eh eh eh eh eh eh eh)

It's raining (raining)
Ooo baby it's raining
Baby come into me
Come into me
It's raining (raining)
Ooo baby it's raining
You can always come into me
Come into me
