INTRO:

You know baby
There is so many times in my life
I felt lost and confused yeah
Then here you come looking at me
And I no longer feel incarcerated
You just you make me feel so free as can be
Yeah baby

CHORUS

When you look at me... Sends chills up my spine
You make me lose control
When you look at me... Girl I gotta let you know
I feel you in my soul... Exactly what you do
When you look at me
Baby I feel so hot I'm free... You make me feel good too

VERSE

Baby when I see you I feel something in my chest
Never Felt this way before but this is nothing like the
rest
I use to simply use them girls
Think nothing of their worlds
But then you came along and you made me strong
Even though you made me weak
I just know that you are my world
And I'm happy that I'm in it
More than beautiful it's unusual
That I feel the sky is the limit
Since you came around my pain is gone
You are my soul can't let you go
You make me feel so free... free

CHORUS

When you look at me
You make me lose control... Lose control
When you look at me...
I feel you in my soul... my soul
When you look at me
Baby I feel so hot I'm free... Yow hoooo
Free

CHORUS

When you look at me
You make me lose control... Lose control
When you look at me...
I feel you in my soul... my soul
When you look at me
Baby I feel so hot I'm free... Yow hoooo
