Your eyes
How they hypnotize me
Your smile
Is it meant for me?
Ooh I can't wait
To feel your embrace
Oh it's plain to see
You captivated me

Your words
How they serenade me
Your thoughts, your soul
Honey, you amaze me
Ooh I can't wait
To feel your embrace
Oh it's plain to see
You captivated me

Come a little closer
Stay a little longer
I can't let you go (I can't let you go)
Tell me more about you
Show me how to love you
Let's make this a night we won't forget

Your kiss
How it makes my heart beat
Your touch
Gets my whole body weak
Ooh I can't wait
To feel your embrace
Oh it's plain to see
You captivated me
