Chorus:

Time we spent together  
Thought it was forever, but now  
Can we stay together  
Make it last forever  
( repeat )

Verse 1:

I know you see me in the moonliiiiiigght  
I know ive been comin home real late  
I wish u would grab me and hold me  
Instead you make you make me wait  
[chorus]

Verse 2:

Under the covers and into a sleepless bliss  
Wishing destiny was miiine  
Turn towards me and tell me it's me you miss  
Instead of wasting all our time  
[chorus]

Verse:

I wont be leaving you for another face  
There's no point in taking another place  
[chorus]
