You and me go far
We'd be famous stars
When did it go?
When my self esteem got low
Did you think of me in your tree?
Looking so amused

You and me go far
We'd be famous stars
Then what a place to be
Hiding in my tree

No more there's a boy in me
There's a girl in you
No more cos you used to do what I do to you
Oh, matey one, you ate me

Me is mine is yours
We behind closed doors
Where did it go?
When my toy friend dropped you, girl
Did you think of me?
Probably
I still care for you

You and me go far
We'd be famous stars
And what a place to be
Hiding in my tree

No more there's a boy in me
There's a girl in you
No more cos you used to do what I do to you
Oh, matey one, you ate them
You and me go far
We'd be famous stars...
