Like a river, I'm winding my way, back in your love
And there I'll stay, like a river that flows to the sea.
Like a mountain, I'll stand at your side, protecting your
dreams
From life's crashing tides, like a mountain, that's what
I'll be.
My love for you is a natural thing
Like a kiss of sunshine on a butterfly's wing
A snowflake shining on a distant snow
A familiar chord on my guitar
My love is a natural thing.
Like a sunbeam I'll run through your hair so that when
you're asleep
You'll know that I'm there like a soft breeze I whisper
your name.
My love for you is a natural thing
Like the kiss of sunshine on a butterfly's wing
A snowflake shining on a distant snow
A familiar chord on my guitar
My love is a natural thing.
My love (My love for you) is a natural thing
Like a kiss of sunshine on a butterfly's wing
A snowflake shining on a distant snow
A familiar chord on my guitar
My love is a natural thing.
