On a day like today
I looked at you and I
Saw something in the way
You stared into the sky
I saw you were sick
And tired of my wrong turns
If you only knew the way I feel
I'd really love to tell you I

Could never seem to say the things I needed to
On a day like today no other words would do

I saw you were sick
And tired of my wrong turns
If you only knew the way I feel
I'd really love to tell you

But I can never find the words to say and I don't know
why
I can't find the words to say and I don't know why
(repeated)
