I can't keep up, you're  
Moving too fast,  
Deep holes and darkness,  
These things will pass.

Dark times and strange places where...

When I came to see you  
You had nothing to say,  
I stood right beside you,  
You turned the other way,  
I reached out to hold you  
And found nobody there,  
You turn into air.

Trust me, I want you  
Just as you are,  
Don't change the things you do,  
Just stay as you are.

Dark times and strange places where...

When I came to see you  
You had nothing to say,  
I stood right beside you,  
You turned the other way,  
I reached out to hold you  
And found nobody there,  
You turn into air.

(Instrumental break)

Dark times and strange places where...

When I came to see you  
You had nothing to say,  
I stood right beside you,  
You turned the other way,  
I reached out to hold you  
And found nobody there,  
You turn into air.
