I fell asleep on a late night train
I missed my stop and I went round again
Why would I want to see you now,
To fix it all
Make it up some how

Baby I, I'll try again try again
Baby I die every night every time

What I was isn't what I am
I'd change back but I don't know if I can

Still I'll try
Try again try again
Baby I die every night every time

But I was made the way I am
I'm not a stone I'm just a man
Lay down your arms and I will lay down mine
Replay good times that we've been wasting
God I wish you could see me now
You pick me up and you took me out

Baby I'll try again try again
Baby I die every night every time.
