Why do I have to fly
Over every town up and down the line?
I'll die in the clouds above
And you that I defend, I do not love.

I wake up, it's a bad dream,
No one on my side,
I was fighting
But I just feel too tired
To be fighting,
Guess I'm not the fighting kind.

Where will I meet my fate?
Baby I'm a man, I was born to hate.
And when will I meet my end?
In a better time you could be my friend.

[chorus]
I wake up, it's a bad dream,
No one on my side,
I was fighting
But I just feel too tired
To be fighting,
Guess I'm not the fighting kind.
Wouldn't mind it
If you were by my side
But you're long gone,
Yeah you're long gone now.

Where do we go?
I don't even know,
My strange old face,
And I'm thinking about those days,
And I'm thinking about those days.

I wake up, it's a bad dream,
No one on my side,
I was fighting
But I just feel too tired
To be fighting,
Guess I'm not the fighting kind.
Wouldn't mind it

If you were by my side
But you're long gone,
Yeah you're long gone now.

Yeahhhhh
Where do we go?
I don't even know
My strange, old face
And thinking about those days
And thinking about those days

[chorus]
