I noticed tonight that the world has been turning
While I've been stuck here dithering around
Though I know I said I'd wait around till you need me
I have to go, I hate to let you down

But I can't stop now
I've got troubles of my own
'Cause I'm short on time
I'm lonely and I'm too tired to talk

I noticed tonight that the world has been turning
While I've been stuck here withering away
Though I know I said I wouldn't leave you behind
But I have to go, it breaks my heart to say
That I can't stop now
I've got troubles of my own
'Cause I'm short on time
I'm lonely and I'm too tired to talk

No one back home
I've got troubles of my own
And I can't slow down
For no one in town
And I can't stop now

And I can't slow down
For no one in town
And I can't stop now
For no one

The motion keeps my heart running
The motion keeps my heart running
The motion keeps my heart running
The motion keeps my heart running
