On a day like today
I looked at you and I saw something in the way
You stared into the sky

I saw you were sick and tired of my wrong turns
If you only knew the way I feel
I'd really love to tell you but I could never seem to say
The things I needed to
On a day like today no other words would do

I saw you were sick and tired of my wrong turns
If you only knew the way I feel
I'd really love to tell you but I can never find the words
to say
And I don't know why I can't find the words to say
And I don't know why

I can't find the words to say
And I don't know why I can't find the words to say
And I don't know why

And I don't know why
And I don't know why
And I don't know why

I saw you were sick and tired of my wrong turns
If you only knew the way I feel
I'd really love to tell you but I can never find the words
to say
And I don't know why I can't find the words to say
And I don't know why
