Umbade

Umbade

Umbubumbade

Pressure pushing down on me

Pressing down on you no man ask for

Under pressure - that burns a building down

Splits a family in two

Puts people on the streets

Umbabade

Babayey

Dideda

Dideda

It's the terror of knowing

What this world is about

Watching some good friends

Screaming "let me out!"

Pray tomorrow gets me higher

Pressure on people - people on the streets

Dedede

Dadadida

O-Keey!

She been around

Kicked my brains round the floor

These are the days it never rains but it pours

[Ooh-ooh-ooh]

Didadadado

Didoda

Dabada

People on the streets

Didadidade

People on the streets

Didadidadida

It's the terror of knowing

What this world is about

Watching some good friends

Screaming "let me out!"

Pray tomorrow gets me high high high!!!

(Pressure on people, people on the streets)

Turned away from it all like a blind man

Sat on a fence but it don't work

Keep coming up with love but it's so slashed and torn

Why - Why - Whyyyy!!!

(Love-Love-Love-Love-Love...)

Insanity laughs under pressure we're cracking

Can't we give ourselves one more chance

Why can't we give love that one more chance

Why can't we give love give love give love give love...

Love's such an old fashioned word

And love dares you to care for

The people on the edge of the night

And love dares you to change your way of

Caring about ourselves

This is our last dance

This is ourselves

Under pressure

Under pressure

Pressure
