Once there was a great storm  
Pushed my head beneath the waves I was gone  
Underneath the walnut tree  
Where you said you'd wait for me  
And I waited a long long time.

I waited a long long time  
I waited a long long time  
I waited a long long time  
I waited a long long time  
Why, why do I come here?  
Seeking out the memories I hold dear  
Cos you put your spell on me  
Made me live in memory  
And im frozen in just the wrong time

I waited a long long time  
I waited a long long time  
I waited a long long time  
I waited a long long time
