I've chased so many dreams
Watched them fall apart
I'm just a dreamer
Stumbling through the dark

And you held me through the night
Revived my broken soul
And you forgave me
You raised me with your hope

Climb aboard my dream, oh baby
One more time
As long as you stay mine

It may be a trip to nowhere
But that's OK

Climb aboard my dream, oh baby
One more time
As long as you stay mine

And we danced beneath the rain
You kissed away the pain
My baby dreamer
Let's dream our lives away

And I love you, love you, babe
Love you, love you, babe
My baby dreamer
Let's dream our lives away

And we danced beneath the rain
