In this physical world
We go around once
There's not enough time
Not enough months
To adore every heart
And know every mind
To adore every heart
And love mankind

You're my white baby, black baby
Yellow baby too
Christ baby, Buddha baby
Mohammed and Jew

You're my straight baby, gay baby
Daughter and son
In a better world
Create a family of One

I want to have one big family
Babies of every color and creed
I want to feel what it's like to be
The Father of all humanity

In a better world
Create a family of One

In this physical world
We go around once
There's not enough time
Not enough months
To adore every heart
And know every mind
To adore every heart
And love mankind

You're my white baby, black baby
Brown baby too
Christ baby, Buddha baby
Mohammed and Jew

You're my straight baby, gay baby

Daughter and son
In a better world
Create a family of One

I want to have one big family
Babies of every color and creed
I want to feel what it's like to be
The Father of all humanity

In a better world
Create a family of One
