Let's go climb  
And move back time  
To that mysterious hill  
Where a boy first met his girl

Long before  
The cynics arrived  
Before the laughter died  
And God returned the day to night

Where dazzling fireworks  
Rained sparkles  
On our lives  
Two strange birds  
Came together  
And opened up their eyes

Let's go climb  
We'll move back time

Fireworks Hill, Fireworks Hill  
Far from my mind  
Never forgotten  
Fireworks Hill, Fireworks Hill  
We became one there  
So very often

And there are vivid colors  
Blasting through the sky  
Dancing rainbows  
I really want to taste  
There is weeping smoke  
Painting all the stars  
Burning graveyards  
For the human race

Let's go climb  
And move back time  
To that mysterious hill  
Where a boy first met his girl

We'll race to the edge

Fulfill our pledge  
It was written in blood  
The heat of our love

Oh, jump, baby, jump  
Weâ€™ll fly away together  
Jump, baby, jump  
Our bodies joined forever

Letâ€™s go climb  
And move back time  
To that mysterious hill  
Where a boy first met his girl

Fireworks hill, fireworks hill  
I see the sparkles in the air  
Fireworks hill, fireworks hill  
I smell the dazzle of your hair  
Fireworks hill, Fireworks hill  
We flew to Heaven over there

Letâ€™s go climb  
Weâ€™ll move back time  
(Foreverâ€¦with you)
