How do I thank
The voice in the night?
Call of hope
After the world turned dark

How do I thank
The voice in the night?
Healing words
Made from
Angel heart

Oh, her chocolate whisper
Warm convincing breeze
Oh, her breathy laughter
In the shadow of my need

Don't you hear the voice?
Save you from despair
Don't you hear the voice?
Sent by ghosts who care

Don't you hear the voice?
Rises like a prayer
Come to rescue you
From your earthly snare

How do I thank
The voice in the night?
Call of hope
Kissed my tears away

How do I thank
The voice in the night?
Now I dance
To a magic serenade

Don't you hear the voice?
Memories of home
Don't you hear the voice?
Pretty as a poem

Don't you hear the voice?

Vivifies your soul
Bathes you in a pool
Love youâ€™ve never known

How do I thank
The voice in the night?
Call of hope
After the world turned dark

Voice inside the darkness
Gets into my head
Lady caller,
Take me, take me
To your bed

Voice inside the darkness
Gets into my head
Lady caller
Raise me, raise me
From the dead

Voice inside the darkness
Gets into my head
