I aint tryna walk
Into an empty house
And end up
On the couch by myself no
And I aint tryna be starin
At the t.v. feelin hungry
With no home cooked meal
And I aint tryna be callin
Your name wonderin where you at
Cuz I know that your right upstairs
I aint tryna be wreckin my brain
Goin back and forth
Thinkin bout how I gotta change
This aint no game
Cuz I aint playin girl
It's you and me girl
That's how we be girl
And I'm gon' change
And I'm for real girl
Can't do without ya girl
Cuz baby your my world

I aint tryna be without you
And I don't care what I gotta do
Girl I'll do anything
And I'll go anywhere
Cuz ain't nothin workin
Without you baby
I ain't tryna be without you
And I aint tryna be the one
Who's makin you unhappy
Cuz if you unhappy then I know
I ain't tryin hard enough
Gotta try harder for you

I ain't tryna be
All out in the street
Or up in the club
Sippin on patrone
Wit my flirt on
And I ain't tryna be
Sneakin home

Wonderin what to say
When you ask why
I smell like fresh soap
And I ain't tryna be lyin
And hidin the truth
Decievin you
That's that old xxxx I used to do
And I ain't tryna be scared
Of my own cell phone no more
I don't wanna piss you off

This ain't no game
Cuz I aint playin girl
It's you and me girl
That's how we be girl
And I'm gon' change
And I'm forreal girl
Can't do without ya girl
Baby you're my world

I aint tryna be without you
And I don't care what I gotta do
Girl I'll do anything
And I'll go anywhere
Cuz ain't nothin workin
Without you baby
I ain't tryna be without you
And I aint tryna be the one
Who's makin you unhappy
Cuz if you unhappy
Then I know
I ain't tryin hard enough
Gotta try harder for you

If I don't get it right
The first time
Baby please believe me
I will try it again
And I don't care
If it takes me a lifetime
I swear to God
I will try to the end
As long as I'm on earth
I'm gonna keep my word
Girl I'll do whatever it takes
To prove to you
That I'm a changed man
Did some foul shit
But I won't do it again

I aint tryna be without you

And I don't care what I gotta do
Girl I'll do anything
And I'll go anywhere
Cuz ain't nothin workin
Without you baby
I ain't tryna be without you
And I aint tryna be the one
Who's makin you unhappy
Cuz if you unhappy
Then I know
I ain't tryin hard enough
Gotta try harder for you

Gotta do better girl
