Aint got no money  
Nowhere to sleep  
No friends no family  
No bread no meat, no bread no meat  
No friends no family  
No bread, no bread no meat  
Aint got no reason  
Aint got no rhyme  
Aint gettin' no younger  
And I'm runnin' outta time  
Runnin' outta time  
Aint gettin' no younger  
And I'm runnin' out of time  
But I'm still climbing up the mountain side  
Don't count me out  
As long as I've got my heart and soul  
I got everything  
I got everything I need  
Everything I need  
Aint got no picture  
Aint got no wall  
Aint got nobody to hear me when I call  
Hear me when I call  
Aint got nobody to hear me when I call  
But I'm still climbing up the mountain side  
Don't count me out  
As long as I got my heart and soul  
I got everything  
I got everything I need  
Everything I need  
Aint got no window  
Aint got no door  
But I can feel sun shinin' where it's never shined before  
Never shined before  
Feel sun shinin' where it's never shined before  
But I'm still climbing up the mountain side  
Cant count me out  
As long as I got my heart and soul  
I got everything  
I got everything I need  
Everything I need

Aint got no pictures  
Aint got no walls  
Aint got nobody gonna hear me when I call  
No, no no
