I've seen people get healed,
Raised from the dead.
Miracle happen when your prayers get seen.
I've seen walls come down,
Night turned to day,
I've seen love rising up.

And hate turned away.

Why don't you follow me to where
The healing waters flow.
Why don't you lay your burdens down and me yourself
at
Home.

Follow me up;
Follow me up.
Follow me up on the narrow road.
Follow me up, yeah.
Follow me
Up on the narrow road

I've seen people give up
When the feeling don't come.
I've seen them losing their voices
In an unknown tongue.
And at the end of the day
There's an aching need short of the answers you still
Somehow believe.
So won't you follow me to where
The healing waters flow.
Won't you lay your burdens down and
Make yourself at home.

Follow me up;
Follow me up.
Follow me up on the narrow road.
Yeah, follow me up.
Up on the narrow road

So when the time for leaving calls me

Like I know it will,
I know you'll find the strength within
Your heart to carry on.

So won't you follow me to where
The healing waters flow.
Lay your burdens down and make yourself at home.

Follow me up;
Follow me up.
