"Lift Me Up"

Lift me up from your shallows
I am stumbled in a lonely grave
Lift me up from your shallows
I am destined to live ashamed
Iâ€™ve been sold out by my best friend
Iâ€™ve been knocked down and thrown away
Iâ€™ve been sold out and mistreated
Iâ€™ve ignited a dying flame
Iâ€™m a sinner
A believer
Iâ€™m a cynic in a blinding rage
A beginner
In the middle
Of deceiving another day
Lift me up from your shallows
I am stumbled in a lonely grave
Lift me up from your shallows
I am destined to live ashamed
