She brings me  
promises  
She brings me down sometimes  
She leaves me  
romances  
Disguised, half honest lies  
So hard, baby  
When you're tryin' not to stick around  
So hard, baby  
When you're tryin' not to stick around  
Too proud to believe you won't  
let me down  
cause you get around  
Too proud  
to leave you  
So I'll stick around  
till you get around  
to me  
Oh  
To me  
This is a wishing well  
of my eternity  
We have no chance in hell  
Just momentary pleas  
So hard, baby  
when you're tryin' not to stick around  
So hard, baby  
when you're tryin' not to stick around  
Too proud  
to believe you  
won't let me down  
cause you get around  
Too proud to leave you  
So I'll stick around  
till you get around to me  
Oh  
Seems like wishes never come true  
I paid my money too  
and as for me and you  
We're too cool for blues  
Like an unsung blues  
I'm too proud to believe you won't let me down

cause you get around  
(You get around)  
Too proud to leave you  
So IÂ'll stick around  
Till you get around  
To me
