Visit "[A Better Man](#)" on MotoLyrics.com

Sittin' here in my problem
What am I gonna do now
Am I gonna make it
Someway, somehow

Maybe I'm not supposed to know
Maybe I'm supposed to cry
And if nobody ever knows
The way I feel, that's all right
That's okay

I'm gonna make my world a better place
I'm gonna keep that smile on my face
I'm gonna teach myself how to understand
I'm gonna make myself a better man, yeah

Climbin' out the window
Climbin' up the wall
Is anybody gonna save me
Or are they gonna let me fall

Well, I don't really wanna know
I'll just hold on the best I can
And if I fall down, I'm gonna get back up
It'll be alright, it'll be okay, God

I'm gonna make my world a better place
I'm gonna keep that smile on my face
I'm gonna teach myself how to understand
I'm gonna make myself a better man, oh

Maybe I'm not supposed to know
Maybe I'm supposed to cry
And if nobody ever knows the way I feel
That's all right, that's okay

Yeah, I'm gonna make my world a better place
I'm gonna keep that smile on my face
I'm gonna teach myself how to understand
I'm gonna make myself a better man

Well, I'm gonna make my world a better place

I'm gonna keep that smile on my face, yeah
I'm gonna teach myself how to understand
I'm gonna make myself a better man

Are they gonna let me fall
No, no, no, no, no, no, yeah
Yeah, be a better man, be a better man
I'm doing the best I can

Yes, I'm gonna make my world, yeah
You know what, I'm gonna make my world
I'm gonna step right up and get myself together
I'm gonna make my world, you know I'm gonna do the
best I can, yeah

He will make my world, yeah tonight's gonna
[Incomprehensible]
He will make my world, oh yeah, yeah

I'm gonna make my world, are they gonna let me fall?
No, make my world, yeah
I'm gonna make my world, my world, your world
Make my world

You know, I'm gonna make my world
Teach myself how to understand, yeah
