This is our life
These are the times
We are the people
And the dream is alive
Give us the strength
To be humble and kind
And respect one another
Leaving no one behind

(Chorus)
From the mountains and valleys
That stretch to the sea
A Brand New America
is calling to me

I am filled with emotion
As the flag is unfurled
It's A Brand New America
and a brand new world

Now, we all have a story
We all have a prayer
We're all our equal
And God is fair
So lift up your voice
And let freedom ring
Be eternally grateful
For everything
