It's a family affair, it's a family affair

One child grows up to be  
Somebody that just loves to learn  
And another child grows up to be  
Somebody you'd just love to burn

Mom loves the both of them  
You see it's in the blood  
Both kids are good to mom  
But blood's thicker than mud

It's a family affair, it's a family affair  
It's a family affair, it's a family affair  
Lord, it's a family affair, it's a family affair  
It's a family affair, it's a family affair

Newlywed a year ago  
But you're still checking each other out, yes you are  
Nobody wants to blow  
And nobody wants to be left out, no

You can't leave  
'Cause your heart is there  
You can't stay  
'Cause you've been somewhere else

You can't cry  
'Cause you'll look broke down  
But you're crying anyway  
'Cause you're all broke down

It's a family affair, it's a family affair  
Yeah, it's a family affair, it's a family affair  
It's a family affair, it's a family affair  
It's a family affair, it's a family affair

It's a family affair, it's a family affair  
It's a family affair, it's a family affair  
It's a family affair, it's a family affair  
It's a family affair, it's a family affair  
It's a family affair, it's a family affair
