There's something happening here  
What it is ain't exactly clear  
There's a man with a gun over there  
Telling me I got to beware

I think it's time we stop, children, what's that sound?  
Everybody look what's going down

There's battle lines being drawn  
Nobody's right if everybody's wrong  
Young people speaking their minds  
Getting so much resistance from behind

I think it's time we stop, hey, what's that sound?  
Everybody look what's going down

Somebody talk to me

What a field day for the heat  
Million people in the street  
Singing songs and carrying signs  
Mostly say, 'Hooray for our side'

I think it's time we stop, hey, what's that sound?  
Everybody look what's going down

[Incomprehensible] yeah

Paranoia strikes deep  
Into your life it will creep  
It starts when you're always afraid  
Step out of line and the man will come and take you  
away

We better stop, what's that sound?  
Everybody look what's going down  
Stop, what's that sound?  
Everybody look what's going down

Stop, what's that sound?  
Everybody look what's going down  
Stop, what's that sound?

Everybody look what's going down

Take a look around

Taking control of the situation
