Well you might be saved
You might be reborn
You might own a car
With a big loud horn
Maybe it's just news
On your television
Or it might be God trying to get your attention
Are you an engineer
Working on a farm
Or a casanova
With a whole lot of charm
It might be a mouse
Living in your kitchen
Or it might be God trying to get your attention
Well it might sound bad
Or it might sound good
It might be made of steele
Or it might be made of wood
Maybe it's just news
On your television
Or it might be God trying to get your attention
Well it might be in the church house
Or it might be on the street
Somehow or another
Every soul has got to meet
Well it might be in the city
Or it might be in the town
One way or another
You're gonna find the higher ground
Well you might be deaf
Or you might be blind
Should put the message
Right in your mind

Might look like a plan
Or a coalition
Or it might be God trying to get your attention
Ohhh
Well you might be deaf
Or you might be dumb
You'll get the answer
When the answer comes

It might be news
On your television
Or it might be God trying to get your attention
It might be God trying to get your attention
Oh yeah
Listen to the birds
Listen to the trees
Listen to the river
Listen to the sea
Listen to the mountain
Listen to the land
Listen to the woman
Listen to the man
Listen to the rain
Listen to the wind
Listen to your mind
Then listen all over again
Listen to the birds
Listen to the trees
Listen to the river
Listen to the sea
Listen to the mountain
Listen to the land
Listen to the woman
Listen to the man
Listen to the rain
Listen to the wind
Listen to your mind
Then listen all over again
