Hello my old friend  
It's been awhile  
All our old clothes  
Are back in style  
We went our separate ways,  
Only to return  
To face a lesson  
We failed to learn  
We didn't understand the truth  
We were blinded by the eyes of youth  
But time kept on moving  
And a change has come  
You think that I don't know  
Where you're coming from  
Well I feel just like you  
And I cry just like you  
But I heal just like you  
And under my skin  
I'm just like you  
You gave your love and your innocence  
And they took away your confidence  
You're not those women  
I'm not those men  
Put your arms around me  
I am your friend

'Cause I feel just like you  
And I cry just like you  
But I heal just like you  
And under my skin  
I'm just like you...  
You and everybody else  
When I get hurt  
I cry for help  
And I've got secrets  
That god only knows  
And god knows I feel...  
Just like you  
And I cry just like you  
But I heal just like you  
And under my skin  
I'm just like you

I feel just like you  
And i cry just like you  
I heal just like you  
And i break down just like you  
I feel just like you...  
And i cry just like you  
But im weak just like you  
And under my skin...  
Im just like you...
