You donâ€™t need no fancy tricks  
Painted eyes or glossy lips

I love you just the way you are  
Hope you donâ€™t mind my beat up car

You donâ€™t need to change your dress  
You donâ€™t need to change your shoes

Donâ€™t try to hide your natural looks  
Forget about the cover let me read the book

Donâ€™t get me wrong I like them heels  
But the way I feel is the way I feel

You donâ€™t need to change your dress  
You donâ€™t need to change your shoes

Go ahead be wild and free  
you donâ€™t have to shave yoâ€™ legs for me.

Hunnybabe donâ€™t starve yourself  
Youâ€™re lookin good youâ€™re lookin well

And Iâ€™m proud to have you by my side  
Glad to have you in my life

You donâ€™t have to clean my house  
You donâ€™t have to wash my clothes

Go ahead be wild and free  
Cause you donâ€™t have to shave yoâ€™ legs for me

Youâ€™re an angel

You donâ€™t have to read them magazines  
You already know how to get to me

Just be yourself and I will too  
Thatâ€™s all we really have to do

You donâ€™t have to be ashamed

You donâ€™t have to hide your knees

Go ahead be wild and free  
You donâ€™t have to shave yo legs for me.

Now go ahead be wild and free  
You donâ€™t have to shave yo legs for me.
