"Still There For Me"

O darling my dear
please let me hold you near
you waited long time
while i made up my mind
i can't believe
that you're still there for me

i stumble
i fell
and now i'm here to tell you
i need you right now
i'll stay and we'll work it out

i can't believe that you're still there for me
kept on forgiving me
you gave me everything
i know now
i'm sure
my heart has found a cure
i'm ready
i'm strong
but you knew that all along
i can't believe
that you're still there for me

o darling my dear
please let me hold you near
this is where i'm at
i'm gonna learn how to love like that

i can't believe that you're still there for me
i can't believe that you're still there for me
