When I die
I won't be gone
I'll be living
In the everlasting

And while I'm here
I hope that I can find
The answers to the question
Life keeps asking

'Cause in the end
It's a new beginning

And when I dream
I'm dreaming of a place
And a knowing that's
Impossible to learn

It is here, right before your eyes
Everywhere you go, everywhere you turn
Early in the morning
Late at night

'Cause in the end
It's a new beginning

In my life
There's beauty everywhere
On the mountain high
And the valley so low

But when I leave
And my soul flies away
Somewhere to a place
That nobody really knows

When I get there
Probably won't write no letter
You just got to come on
And see for yourself

'Cause in the end

It's a new beginning
Just gotta come on in
See for yourself

'Cause in the end
It's just a new beginning
