I'm a stripper
And this is my life
I'm a stripper
And this is my life
I got kids I'm a wife
And bills to pay
So I twist and shake
Till my body akes
I twist and shake
All day
And I pray That you make it rain
Make it rain
Make it rain
Make it rain

I'm the Naked Hustler
You heard of me
Figure eight frame
No Surgery
And it must be that ass
That got niggers focused
And I do magic tricks like
Like hocus pocus
Tats on my back
And I know you notice
The way I make it clap
Gat your mouth wide open
They say I got a future behind me
And I'm on my naked hustle
This is where you can find me
MONDAY
I'M AT rollex
Tuesday
I'm at coco's
Wednesday
I'm at take one
Thursday
I'm at black gold
Friday
I'm at diamonds
Saturday
Taking off my cloths

So support the naked

I'm a stripper
And this is my life
I got kids I'm a wife
And bills to pay
So I twist and shake
Till my body aches
I twist and shake
All day
And I pray That you make it rain
Make it rain
Make it rain
Make it rain

Make it rain
Make it rain
Make it rain
Rain
Rain
Rain
