Some say happiness is found by the sea  
Spreading itself out like a blanket over you, over me  
Sunrise crashing into sunset,  
Fresh rain mixing with salty water.  
My eyes turned cloudy while fresh rain turned salty by  
the sea.

So fresh rain and salty water  
Cloudy eyes and tears  
Crashing sunrise into sunset  
Rolling ocean drown my fears

If my eyes got cloudy I'd still know if you passed me by  
I feel you next to me  
You breathe so soft, so light  
With your skin under moonlight  
Still I can't help but wonder  
When you touched me did your heart stand my?

So fresh rain and salty water

Cloudy eyes and tears  
Crashing sunrise into sunset  
Rolling ocean drown my fears

It just feels like drowning,  
How you fill my mind.  
With a heart so deep  
That I can't sleep  
That I can not dream tonight

With everything focused on you, on me  
I can't sleep, I can't dream  
So fresh rain, salt water, fall on me

So fresh rain and salty water  
Cloudy eyes and tears  
Crashing sunrise into sunset  
Rolling ocean drown my fears

So fresh rain and salty water  
Cloudy eyes and tears

Salty tears turn clean  
Rolling ocean spread over me
