Wounded Angel, She came to me.  
Her broken heart in agony yea  
Seeking answers she cried to me in vain  
Hopelessness filled my eyes with pain

Tears of Fire  
From a Heart So Cold  
Tears of Fire  
Feel my passion flow  
Tears of Fire  
Burn into my soul  
I could never let you go.

I couldn't help myself forgive me if you can  
It really wasn't me I hope you understand  
Too many memories to throw it all away  
I'd never leave you anyway

Tears of Fire  
From Heart so cold  
Tears of Fire  
Feel my passion flow  
Tears of Fire  
Burn into my soul  
I could never let you go.

Tears of Fire  
From Heart so cold  
Tears of Fire  
Feel my passion flow  
Tears of Fire  
Burn into my soul  
I could never let you go.

Tears of Fire  
From Heart so cold  
Tears of Fire  
Feel my passion flow  
Tears of Fire  
Burn into my soul  
I could never let you go.
