Blue, songs are like tattoos
You know I've been to sea before
Crown and anchor me
Or let me sail away

Hey Blue, here is a song for you
Ink on a pin
Underneath the skin
An empty space to fill in

You've got to keep thinkin'
There are so many sinkin'
You've got to keep thinkin'
You can make it through these waves

Acid, booze and ass
Needles, guns and grass
Lots of laughs, lots of laughs

Everybody's sayin' that hell's the hippest way to go out
I don't think so but I'm gonna take a look around it
though
Blue, I love, I love you, I love you

Blue, here is a shell for you
Inside you'll hear a sigh
A foggy lullaby
There is your song
