My intuition said it was  
My intuition said it was fair  
All you should know there's  
Not enough to go around

Here they go again  
I can see 'em  
As they try they try to take it out on me  
Here they go again I can  
Watch closer now  
I can watch closer now

They can't find enough  
To take enough from me  
They can't find enough  
To take enough from me  
Guess I go down

Said it wasn't but I guess it was  
Say it wasn't but I guess it ends

Here they go again  
I can, try, try

My Intuition knocked again fair  
All you should know by now is there's  
Not enough to go around

But I never go that way  
The other half of me said I should  
Throw it down the drain  
Throw it down the drain

They can't find enough  
To take enough from me  
They can't find enough  
To take enough from me

I've seen the hordes of war  
Looking down that drain  
At your heart  
Here they go and they try
