Better call the ships, they been caught sailing  
Better call the captain, he's been caught stealing  
Better call the porter man, he's been caught leaving  
Better call all the guys on the deck, they've been  
caught with no feeling

Better call the fisherman, 'cause they're coming on  
land  
Better call the head nurse, wrap us up, to throw us in  
the dirt  
Better call with some resistance, better way to feel no  
shame  
Better call with some persistence, that way you feel  
nothing at all  
Better call on evolution  
Better way to make a revolution  
Better make your mind up quick  
Better make your mind up quick
