( traditional / live )

He was a friend of mine  
And he was a friend of mine  
Every time i think about him now  
Lord i just can't keep from crying  
'cause he was a friend of mine

He was a friend of mine  
And he was a friend of mine  
He died on the road  
A thousand miles from home  
And he never harmed no one  
He was a friend of mine  
And he was a friend of mine

He was a friend of mine  
And he was a friend of mine  
Every time i think about him now  
Lord i just can't keep from crying  
'cause he was a friend of mine  
And he was a friend of mine
