Like I heard her
Backwards saying
I can take one thousand
Showers
And never be clean
Of course she lied away
She is ten times heavier
Stronger, then you found
The grave
Or ever was
He's got it down name
You know what I need
Who doesn't lie?
You know what I mean
If I'm never in
Without you
Like you don't know
I am so, angry
I am so, at ease
I feel just like
Some great big disease
I think you need
Ice water
But the only thing that
You really hate
Is all it's emptiness
Ah, you'll swim
And I will drink myself to
Death
If I'm never in
Down with you
Like you don't know

Still in love

(hank williams)

Today I passed you on the street
And my heart fell at your feet
I can't help it if I'm still in love with you

Someone else stood by your side

She looked so satisfied
I can't help it
I'm still in love with you

A picture from the past came slowly stealin'
As I brushed your arm and walked so close to you
Then suddenly I got that old-time feelin'
I can't help it
I am still in love with you

It hurts to know another's lips will kiss you
And hold you just the way I used to do
Oh heaven only knows how much I miss you
I can't help it
I'm still in love with you
