Lord help
The sinner man
In this life
Lord help
The sinner man
In this life
We all die together
And we face
The rising sun
Oh, my Lord
Lord help
The poor and needy
In this life
We all die together
And we face
The rising sun
Oh, Lord
Help my Lord
Lord
Help the human race
Lord
Help the human race
Cuz we all die together
And we face
The morning sun
Oh, Lord help
Go help
The motherless children
In this life
Ooh, Lord help
The motherless children
In this life
Because we all
Ddie together
And we face
The rising sun
