I am like powder
I am like relaxation
I am the snow
I am the snow
I am the snow

I dig in this ocean
And I try to fill it with gold
Fill it to the top
Fill it to the top
Fill it to the top

Do you look for hope in other people's eyes?
Well, that may be your worst redemption
Do you feed and clothe yourself?
Well, that may be your best defense

I am from the moon
I am from the moon
I am from the moon
So they say
So they say

Facing, confronting, branding each other
We were made through one another

Great expectations
Great expectations
So they say
So they say
So they say

I am the snow
I am the snow
I happen to be the snow
