I met a doctor, he want to be a dancer  
I met a mother, she want to be alone  
I met a preacher, he want to be sinister  
I met a kid, he want to be unknown

Nothing's wrong with helping the strong  
Nothing's wrong with helping the strong  
Nothing's wrong with helping the strong  
Nothing's wrong to live your day long  
Nothing's wrong to live your day long  
Nothing's wrong, nothing's wrong

Real life is ordinary  
Sometimes you don't want to live (want to live)  
Sometimes you gotta do what you don't want to do  
To get away with an unordinary life

I met a teacher, he want to be a dreamer  
I met a sister, she want to meet her maker  
I met a poet, he want to be a joke  
I met a dog, he just want a bone

Real life is ordinary  
Sometimes you don't want to live (want to live)  
Sometimes you gotta do what you don't want to do  
To get away with an unordinary life

Real life is ordinary  
Sometimes you don't want to live (want to live)  
Sometimes you gotta do what you don't want to do  
To get away with an unordinary life

Real life is ordinary  
Sometimes you don't want to live (Want to live)  
Sometimes you gotta do what you don't want to do  
To get away with an unordinary life

Get away  
Get away  
Get away  
Get away

Get away  
Get away  
Get away  
Get away  
Get away  
Get away  
Get away  
Get away  
Get away  
Get away  
Get away  
Get away  
Get away...
