Went to the doctor
I said doctor please
What do you do when your true love leaves
Said the hardest thing in the world to do
Is to find somebody who believes in you
Make a sad, make a sad
Make a sad, sad song
Make a sad, make a sad
Make a sad, sad song
So I went to the whipper whale
I said killer whale please
What do you do when your true love leaves
She said I only have one trick up my sleeve
I sing it over and over til he comes back to me
I make a sad, make a sad
Make a sad, sad song
I make a sad, make a sad
Make a sad, sad song
Went to my papa
I said papa, please
What do you do when your true love leaves
He said the hardest thing in the world to do
Is to find somebody who believes in you
I make a sad, make a sad
Make a sad, sad song
Make a sad, make a sad
Make a sad, sad song
So I went to the whale
I said killer whale please
What do you do when your true love leaves
He said I only have bout one trick up my sleeve
I sing it over and over til she comes back to me
I make a sad, make a sad
Make a sad, sad song
Make a sad, make a sad
Make a sad, sad song
Went to my mama
I said mama, please
What do you do when your true love leaves
She said the hardest thing in the world to do
Is to find somebody who believes in you
